POLICY 3100

TENDERING OF AUDIT SERVICES

POLICY

The Board of School Trustees believe that audit services should be tendered in an attempt to ensure that it is receiving the best service available at a competitive rate.

Rocky Mountain
SCHOOL DISTRICT NO. 6

POLICY 3100

TENDERING OF AUDIT SERVICES

REGULATIONS

1. At least once every three years the School District's auditing business shall be placed on tender.
2. In addition to cost, in selecting the successful firm, consideration will be given to previous service to the school district or other school districts, locality, reputation, and availability of other services.
3. The Secretary Treasurer shall make a recommendation to the Board of School Trustees, as a result of the tendering process, as to the appointment of auditor.
