OR 4 x 1" Binders (one for each subject)

AND 2 packages of loose leaf paper (lined)

1 pencil case

12 pens (8 blue, 4 red)

6 pencils (keep a couple dozen extra at home to send to school)

2 white erasers

1 ruler

1 **scientific** calculator (must have a \cdot button and a π button)

1 package felt markers

1 package pencil crayons

1 permanent black marker

1 knapsack

1 set of gym strip (non-marking runners, shorts, t-shirt)

1 pencil sharpener

Optional: White-out

Highlighter pen

Glue sticks

Stapler/staples

Scissors

Locker shelf

Notes:

1. It is a good idea to keep some extra pens/pencils at home to be brought to school when needed. It is also recommended that each student keep a pencil case in his/her locker with a supply of pens/pencils and only take a couple pens/pencils to classes.
2. School lockers are assigned by school staff. Students need to bring a lock from home and provide the lock combination to their homeroom teacher or purchase a lock from the office for \$7.00. Students must use the lock that has been assigned to them and not share with other students. Students should NOT tell other students their lock combination!
3. The **non-refundable** Student Activity Fee is \$20.00. Yearbooks cost \$35.00. Parents may write a cheque for \$20.00 or \$55.00 to Selkirk Secondary School.
4. Some classes may offer a workbook (eg. Science). **Workbooks** generally cost around \$10.00.
