Student School Supply Order 2017/2018

School supplies for 2017/2018 will be streamlined for students, teachers and parents. In our effort to eliminate unnecessary waste, consolidate supplies for each classroom and recycle gently used or new items, we will be ordering school supplies in bulk again this year. How the system works:

- each teacher has taken an inventory of supplies in his/her classroom that will be carried over to next year
- each teacher placed an order for his/her classroom deducting those items that can be carried over
- new supplies will be delivered to the school in late August
- we strongly recommend that each student have a WES student planner/agenda book at a cost of \$8 each. Planners are used as a daily communication tool between teachers, students and parents. This cost is included in the prices below.
- if you have any questions or require financial assistance, please contact Mrs. Miller at the school at 250-342-6640 or by email: bendina.miller@sd6.bc.ca
