

DISTRICT PRACTICE:

In support of the success of community coaches in schools, the following practice lays out ways Rocky Mountain School District promotes student safety within the community coaching model. In addition to the requirements for criminal record checks set out in District Practice 4000, all community coaches will complete the requirements described in this practice prior to coaching and supervising students. This practice includes any adult who will be left unsupervised with members of the school team.

1. All coaches will complete approved concussion awareness training.
2. All coaches will complete, and stay current, on the online Safe Sport Training module through the Coaching Association of Canada.
3. All coaches will complete and stay current on the Rule of Two training module through the Coaching Association of Canada.
4. All coaches will complete an annual review of the Child Abuse Reporting Protocol using the Rocky Mountain online training module and response form.
5. All principals will review a coaches' code of conduct at each school with each coach and Athletic Directors on an annual basis.
6. All coaches will sign a school-based coaches commitment based on school practices and the coaches code of conduct.
7. All schools will lead a coaching orientation program for all head coaches.

School principals are responsible for ensuring the above requirements are in place prior to members of the community coaching students without employee supervision.
