

POLICY 2750

USE OF SOCIAL MEDIA

POLICY

The Board of Education “Board” welcomes the responsible use of social media platforms and recognizes the benefits of student and staff access to social media communication. The policy and district practices have been developed to provide students and staff with guidelines to understand the impact of social media and electronic communication and their appropriate uses to ensure safe communication practices.

While the intent of the Board of Education is to enhance educational opportunities for students, the Board of Education remains committed to responsible digital citizenship and to minimizing the risks associated with the use of electronic communications systems and access to social media.
