

## **POLICY 4105**

### **STAFF CONFLICT OF INTEREST**

---

#### **POLICY:**

The Board of Education “Board” carefully considers employment situations in which any employee potentially occupies a position involving a direct, supervisory relationship between family, significant others, or close associates. Exceptions to this policy will be considered in extraordinary circumstances where staff shortages exist or where specific expertise is desired. This policy will not affect working relationships that were established prior to May 11, 2021; however, future staffing decision for all employees will be subject to the policy.
