

POLICY 5100
STUDENT SAFETY

POLICY

The safety of students shall always be a primary concern at school, and during all school-sanctioned activities. Appropriate adult supervision of students is to be in place during the school day and while students are participating in other activities such as field trips. In addition, special attention shall be given to the following:

- (a) Maintaining a safe school environment through semi-annual inspections of all buildings and grounds.
- (b) Observation of safe practices on the part of school personnel and students, particularly during curricular and extracurricular activities which offer special hazards.
- (c) Requiring students to wear appropriate protective equipment.

Each principal shall be responsible for the supervision of safety within their school.
