## Windermere Elementary School

Little Badgers Early Learning is looking for After-School care staff as we work in partnership with School District No. 6. SD6 is renting us space to provide an After-School Care Program in Windermere Elementary School but in order for us to provide this school-aged care we need staff. The after-school program will operate Monday to Thursday from 2:30 - 5:30 and Friday from 1:00 - 5:30 on school days. We will also offer care from 8:30-5:30 on all professional development days, the first week of winter break, and the two weeks at spring break. In order to apply for a position you must be at least 19 years of age, have completed a Responsible Adult 20 hour online course, have the Emergency Child Care First Aid certificate, provide a doctor's note with a clean bill of health to work with children, and provide a Clear Criminal Check. If you are interested and/or would like more information on applying to work in the after-school program, please contact:
