School District No. 6 (Rocky Mountain) is located on the traditional unceded territories of the Ktunaxa and Secwépemc Nations. We honour the cultures, languages, and First Nations people of these territories.

Good afternoon,

Karen Shipka has concluded her duties as Superintendent with Rocky Mountain School District, a position she has held since 2020.

The district would like to thank her for her many years of service in public education, particularly during the Covid-19 pandemic. Under her leadership the district showed increased student achievement and a commitment to early learning and childcare.

The Board wishes Ms. Shipka well going forward.

Sincerely,
